

Following the success of our 4" round tail lamp, Kohltech has introduced a line of 6" oval strobe lights. Kohltech's **T66** can be mounted at any angle for DOT compliance. These lights employ the same world leading lens design and high quality construction used throughout our product line to create a top quality, cost-effective lighting solution. See www.Kohltechnology.com for more details and a complete list of part numbers.

T66

6" Oval Strobe Light

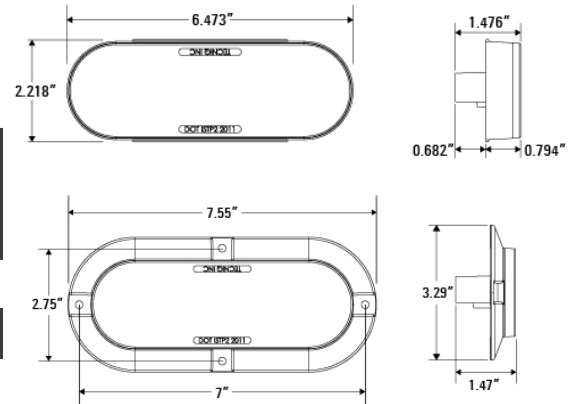

Technical features

- ✦ Fits all industry standard 6" oval grommet and surface mount applications
- ✦ Meets all FMVSS 108 requirements for wide and narrow vehicles
